## MAGNOLIA HOME BY JOANNA GAINES™ WAX DECORATIVE FINISH

### PRODUCT INFORMATION

Magnolia Home by Joanna Gaines™ Wax Decorative Finish is designed to work with Magnolia Home by Joanna Gaines™ Chalk Style Paint. It is soft, pliable, low-odor, and easy to work with. It's a great way to seal and protect your finished surface.

### RECOMMENDED USES

Apply to old or new wood, cast stone, concrete, or even metal surfaces that are painted with Magnolia Home by Joanna Gaines™ Chalk Style Paint. Do not use on horizontal surfaces subject to foot traffic.

### PRODUCT SPECIFICATIONS

**Colors:**

- No. M0010 Clear
- No. M0013 Dark

**Net Weight:** 6 oz (170 g)

### APPLICATION

After painting the entire surface with Magnolia Home by Joanna Gaines™ Chalk Style Paint, allow a minimum of two hours to dry.

- Test on a small area first.
- Use personal protective equipment as required.
- Use a lint-free rag or a natural bristle brush to apply the wax.
- Spread the wax evenly over the surface. Focus on highlighting the best features of the piece by working the wax into small crevices.
- Allow wax to dry before buffing.
- To maintain the quality of the finish, reapply wax as needed.

### CLEAN UP & DISPOSAL

Clean all tools with VOC-compliant paint thinner or mineral spirits immediately after use. Do not dispose of this product down a drain. If spilled, contain material and remove with an inert absorbent. Dispose of contaminated absorbent, container, and unused product in accordance with all current federal, state, and local regulations. For recycling or disposal of empty containers, unused product, and soiled rags contact your household refuse collection service.

### APPLICATION

- Keep away from open flames, hot surfaces and sources of ignition.
- Keep containers tightly closed in a dry, cool, and wellventilated place.
- Do not use on floors.
- Not suitable for outdoor use.
- Shelf life under normal conditions is 12 months unopened when storage and handling instructions are followed.

**WARNING!** If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact Lead Information Center at 1-800-424-LEAD or log on to [www.epa.gov/lead](http://www.epa.gov/lead).
